

The slide has a solid yellow background. On the left side, there are two overlapping circles: a larger one in a darker mustard yellow and a smaller one in a lighter, more vibrant yellow. The text 'PITCH DECK' is written in a large, white, bold, sans-serif font, with the 'P' and 'D' partially overlapping the circles. Below it, the text 'BE A CELORIAN' is written in a smaller, bold, black, sans-serif font.

## Celo Voter

Chain: Celo

### Why it matters

Voting steers protocol parameters and treasury. Casting votes with locked/staked CELO builds a credible on-chain civic footprint and helps align the network with its community.

### How to progress

- Open the governance portal (Mondo) and connect your wallet on Celo Mainnet.
- Ensure you have voting power (lock/stake CELO on a validator via Mondo).
- Pick an active proposal, review details, choose For / Against / Abstain.
- Submit the vote and sign the transaction. Your vote will appear on the proposal page/explorer.

### Tiers

- Vote on 1 Celo Proposal
- Vote on 5 Celo Proposal
- Vote on 15 Celo Proposal
- Vote on 30 Celo Proposal
